Skills Summary

I am extremely personable and can work well with a wide variety of personality types as I enjoy working with others. My collaborative skills have been extremely helpful when working as a member of team. I have strong skills with Microsoft Office applications due to many years of experience. I am highly motivated to learn and excited about the challenges that arise from learning new things.

Acknowledgements

FSMP Research / SDSU Fowler College of Business

I am mentored by a faculty advisor in conducting research that is focused on discovering emerging information about digital marketing tactics.
